Ammiraglia, Aurea Gran Rose 2022

ROSÉ STILL WINE

ITALY

TUSCANY

TASTING NOTE

This delicate pale pink rose' is markedly intense and complex. Characterised by delicate hints of fresh pink grapefruit followed by sweeter notes of yellow peach. Fresh, soft and juicy on the palate with delicate spiced finish. The wonderful mineral notes give Aurea its unique character, providing persistence and depth when tasted.

VITICULTURE

Aurea's secret lies in the combination of territorial characteristics, the management of the vineyard itself and, of course, human input. South-facing, the vines grow at an altitude of 150 metres above sealevel in rocky, clay-rich soil.
