Pomino Bianco 2025

WHITE
STILL WINE

ITALY

TUSCANY

TASTING NOTE

Clear and bright, this wine radiates like the sunny 2020 harvest at Castello Pomino. Floral aromas dominate, with honeysuckle prevailing. The bouquet lingers on the palate, a result of lees aging after vinification. Experience the essence of spring in every sip.

VITICULTURE

Pomino's high-altitude vineyards in eastern Tuscany offer ideal conditions for fresh, expressive white wines. Chardonnay and Pinot Bianco grow on mineral-rich soils with warm days and cool nights that preserve acidity and aromatics. Sustainable vineyard practices and careful hand harvesting ensure purity, balance, and elegance in the final wine
