TASTING NOTE

Balanced, berry-filled red from Cahors, a juicy mouthful of blackcurrant and raspberry and a gently perfumed bouquet of violets, mocha and peppermint.

VITICULTURE

A place bathed in sunshine from the start of the day. Calcareous - red clay soils. The vineyards are located on the Plateau in Cahors AOC at an 300m altitude.

VINIFICATION

After years of research, a winemaking process was created to capture the purest expression of Malbec. While the full method remains confidential, it includes destemming, light crushing, low-temperature fermentation in thermo-regulated stainless steel tanks, gentle extraction, and separate block vinification before blending.

FOOD MATCHING

By the glass or with a plate of charcuteries, with knuckle-end lamb cooked with herbs. Pasta with meat sauce.
