WHITE  
STILL WINE

ITALY

SUITABLE  
FOR VEGANS

## TASTING NOTE

The wine has a pale-yellow lemon colour. On the nose it is elegant with white flower notes and bright fresh fruit (green apple and white peach). On the palate, it is juicy and vibrant with a refreshing acidity which adds length. The finish is quite long and mineral.

## VITICULTURE

In 2022, a dry, mild winter and a low-rainfall spring set the stage. From May to August, high temperatures and no rain required diligent soil management to ease vineyard water stress. A mid-August rainfall blessed us with perfectly ripe, healthy grapes by season's end. Harvest commenced in early September, boasting ideal organoleptic balance and ripeness.

## FOOD MATCHING

Premium white wine production: Grapes pressed at 8°C in a vacuum press, skin contact for 6 hours, settled for 24 hours, low-temperature fermentation (12-15°C) for 20 days, 2 months on fine lees for enhanced texture and complexity.
