TASTING NOTE

Off-dry rather than sweet, this is a fruity, floral white port with flavours of nectarine and green fig and a fine, refreshing spray of citrus on the finish.

VINIFICATION

Fermentation is halted by adding neutral grape spirit to preserve the natural sweetness and raise the alcohol content to 19% ABV. Then the wine ages in seasoned oak vats for 2-3 years to soften its texture while retaining its flavours.

FOOD MATCHING

An excellent aperitif, it can be used in several cocktails, including the famous Port Tonic. It pairs best with salted nuts, hard cheeses, and light seafood dishes.
