TASTING NOTE

Delicate flavours of white currants give way to the toastiness of oak and a honeyed charm, with a palate full of juicy, ripe apples.

VITICULTURE

Harvest is the pinnacle of the grapegrowing year at Hattingley Valley. The vineyard team decides when the grapes are perfectly ripe to pick and then gets to work. Each bunch is carefully picked by hand to avoid any damage to the grapes. The hours are long and days endless, but it brings everyone together and is just the start of the wine making journey

FOOD MATCHING

Delicious with Hampshire hot smoked trout pate, local salami and charcuterie
