VINIFICATION

This wine was crafted using minimal intervention winemaking techniques. Old amphoras recovered from Chilean lands and ancient jars brought from Villarrobledo, Castilla de la Mancha, were used to extract the essence out of these hundred-year-old vines and the terroirs of the lands of Itata.

FOOD MATCHING

This is a silky red wine with a remarkable acidity that matches perfectly well both with white and red meats or fatty fishes such as tuna and cod. It is also good with pasta and meat sauce dishes.
