TASTING NOTE

Aromatic, spicy white wine from Lebanon, with an exotic, musky perfume leavened by grapefruit and a wagonful of white fruit and flowers on the tongue.

VITICULTURE

Named after the wide range of altitudes of the 110 hectares of prime calcareous marl terroir which IXSIR uses across the Lebanon between 800 and 1700 metres above sea level. Manual night harvests in crates of 18kg and transport to the ultra sleek hi-tech winery in Basbina in temperature-controlled trucks.

VINIFICATION

Low-pressure pressing and temperature controlled fermentation in stainless steel. No malolactic conversion or oak in order to keep the bright, fresh flavours of the grapes.

FOOD MATCHING

The freshness of the acidity in this wine will pair nicely with grilled chicken.
