TASTING NOTE

The Destination is the pinnacle of white winemaking at Journey's End. The nose is complex and delivers concentrated stone fruit with layers of citrus, lemongrass, tropical fruit and hints of smoky spice attributed to generous oak ageing. The minerality ensures freshness on the palate alongside a creamy finish.

VINEYARD

The vineayrds are situated 200m above sea level, and just 7km from the ocean, with soil types of Tukulu and Oakleaf.

VITICULTURE

The grapes are hand picked from an excellent pocket of vines, hand selected each year after being identified by drone footage. Fertile soils create deep root systems and large canopies of foliage, which means the grapes can hang for longer and develop complex characteristics.

FOOD MATCHING

Pairs well with seafood, chicken, creamy dishes, cheese, and salads. Beautiful enjoyed on its own as well.
