RED STILL WINE

SOUTH AFRICA

STELLENBOSCH

SUSTAINABILITY CHAMPION

TASTING NOTE

Ruby, clear and bright. Displaying blackcurrants and raspberries, with hints of subtle blackcurrant leaf. The well-matched oak allows for the fruit to shine while creating complexity with notes of vanilla and nutmeg. An elegant, polished wine already drinking well, exhibiting very soft tannins with just enough grip to promise good cellaring potential.

VINEYARD

The vineyards are situated 200m above sea level, and just 7km from the ocean, with soil types of Tukulu and Oakleaf.

VITICULTURE

The grapes are hand picked from Block 5 where the soil originates from 350-million-year-old granite decomposition. Situated near a Eucalyptus forest, which has a herbaceous influence and sea breezes which allow the fruit to ripen for longer.

FOOD MATCHING

Great paired with cheese, meats, pizza, pasta, and enjoyed on its own.
