RED STILL WINE

SOUTH AFRICA

STELLENBOSCH

SUSTAINABILITY CHAMPION

TASTING NOTE

A core of rich blackcurrants, black plum, with a savoury overlay and mixed spice. The velvety character is a result of generous oak maturation resulting in finely textured tannins and a long-lasting finish. Complex and layered, you will find the palate of the wine evolves as it breathes in the glass.

VINEYARD

The vineyards are situated 200m above sea level, and just 7km from the ocean, with soil types of Tukulu and Oakleaf.

VITICULTURE

The grapes were hand picked from Block 5, which has soils with excellent structure and water draining ability, producing compact bunches with small berries and thick skins.

FOOD MATCHING

Great paired with cheese, burgers, steak, lasagna and mushroom dishes.
