FOR VEGANS

TASTING NOTE

A vivid mousse composed of small-sized bubbles enhances the aromatic character of the wine. Floral notes from Xinomavro and Muscat make up a complex aromatic character, balanced by the wine's freshness and highlighted by its lingering finish.

VITICULTURE

Sourced from Agios Panteleimon within the Amyndeon appellation in Florina, NW Greece. The high altitude (600m) and the poor sandy soils of the area lead to the production of wines displaying finesse and a rare aromatic character. The four surrounding lakes that act as a buffer create perfect weather conditions.

FOOD MATCHING

Excellent match to finger food served at a party, it can also be enjoyed on its own, as an aperitif or dessert.
