Partly hand-picked from 5-30 year old vines, the grapes are de-stemmed, crushed and pneumatically pressed.

The wine is fermented in stainless steel tanks for 20 days at a temperature of 19°C. The wine is then bottled after a further 4 months resting in stainless steel.

FOOD MATCHING

Beautiful acidity which will cut through fatty pork dishes, but which also pairs very well with oriental food, from the Punjab to the Pacific Rim.
