RED STILL WINE

ARGENTINA

MENDOZA

SUITABLE
FOR VEGANS

TASTING NOTE

Serious Malbec that avoids ponderousness thanks to the plums, violets and spices that stream into the drinker's mouth and nose.

VITICULTURE

The grapes for this wine come from a selection of vines planted on clay soils, settled on boulders, located in the Uco Valley at 1050 metres above sea level.

VINIFICATION

The harvest is carried out by hand using bunch selection before destemming and crushing at the winery. Fermentation occurs in stainless steel tanks using wild yeasts for a minimum of 25 days at 25-27°C. Natural malolactic fermentation also takes place followed by ageing in French oak barrels for 18 months. The wine is then filtered & bottled.

FOOD MATCHING
