VITICULTURE

Estate-grown Nebbiolo from the Bordini vineyard in Neive, rooted in calcareous marl soils. South-facing slopes, low yields, careful canopy management and hand harvesting promote slow, even ripening, preserving freshness, aromatic purity and the distinctive character of the site.

VINIFICATION

Fermented in temperature-controlled vats with extended skin contact to extract aroma, colour and fine tannins. Aged for approximately 20 months in French oak, followed by bottle maturation, preserving Nebbiolo's purity, precision and elegant vineyard expression.
