WHITE
STILL WINE

ITALY

LIGURIA

SUITABLE
FOR VEGANS

TASTING NOTE

Fresh and expressive, with aromas of white peach, ripe citrus and wild flowers, layered with hints of Mediterranean herbs and almond. The palate is crisp yet textured, offering juicy orchard fruit, vibrant acidity and a distinctive saline minerality, finishing long, elegant and refreshingly savoury.

VITICULTURE

Pigato is Liguria's distinctive biotype of Vermentino, recognised for its small, golden-speckled berries and naturally concentrated flavours. Grown on steep coastal vineyards overlooking the Ligurian Sea, the vines benefit from mineral-rich soils, sunshine and cooling sea breezes, producing wines of freshness, aromatic intensity and saline minerality.

FOOD MATCHING

Pairs exceptionally well with burrata and anchovies, octopus' salad and seabass.
