ROSÉ STILL WINE

FRANCE

PROVENCE

SUITABLE
FOR VEGANS

TASTING NOTE

This pale pink beauty is quintessentially Provençal... All delicate redcurrants and strawberries with a dash of mouthwatering acidity.

VINIFICATION

This rosé is crafted using the direct press method, where grapes rest in the press briefly to absorb colour from the skins. Once achieving the desired pale hue, the grapes undergo gentle pressing and fermentation in stainless steel at 15-18°C. Inert gas is used to preserve its rosé colour and freshness, with no oak or malolactic fermentation applied.

FOOD MATCHING

Pairs beautifully with seafood.
