ROSÉ STILL WINE

FRANCE

LANGUEDOC-
ROUSSILLON

SUITABLE
FOR VEGANS

TASTING NOTE

Rosé from Languedoc-Roussillon, fragrant with flower blossom and delicately flavoured with raspberry, strawberry and peach.

VITICULTURE

LGI, one of Frances largest but most consistent cooperatives is responsible for this wine. With long standing partnerships with their growers the pursuit of quality is at the forefront of their operation. The grapes are harvested at night to retain optimum freshness ahead of arriving at the winery for gentle pneumatic pressing.

VINIFICATION

Direct pressing for very pale colour. Cool temperature stainless steel ferment at 15 degrees Celsius . The wine is aged on its fine lees to add aromatic complexity and texture.

FOOD MATCHING

Delicious on its own but so Provensal in style, would match well with charcuterie, shellfish and a wide range of canapes.
