TASTING NOTE

Louis Michel's four Montmains vineyards are planted with mature vines, and extend along a clay slope known for being sensitive to spring frosts. Careful attention is therefore required to cultivate this land. It's worth it, because the wine demonstrates that magical Premier Cru combination of ripe fruit with quintessential Chablis saline character. Intricately complex, with spicy floral aromas, toasted almonds, candied lemon and apple; it is dry, lively, pure and accessible, with no artifice.

VINEYARD

Kimmeridgian. Left bank. South-east exposure.The soil is quite deep in places and is made up of distinctive hard limestone in an abundant clay base.
