LANGUEDOC-
ROUSSILLON

FOR VEGANS

TASTING NOTE

Brilliant pale yellow colour. The nose reveals intense, fruity aromas of white fruit (pear, apple) blended with notes of citrus and white flowers. A bunch of fresh stone fruits on the palate, with a crisp and mineral-driven texture.

VINEYARD

This Chardonnay is planted on limestone marl, which maintains a balance between heat and humidity so that the vines produce grapes with a good level of acidity.

VITICULTURE

The Languedoc, France's oldest and largest wine region, traces its viticultural roots to the Greeks and Romans. Nestled between sea and mountains, the Pays d'Oc enjoys a sunny Mediterranean climate and diverse soils, producing a wide range of distinctive wines.

FOOD MATCHING

Enjoy this wine chilled, with seafood, grilled fish, creamy light cheeses or roast turkey.
