# Côtes du Rhône Villages Chusclan Rouge, Sol 2022

RED STILL WINE

FRANCE

RHÔNE

SUITABLE  
FOR VEGANS

## TASTING NOTE

The most serious and complex of Maison Sinnæe's 'Éléments' range, this is a Côtes du Rhône Villages wine from vineyards around the village of Chusclan. It has savoury, truffle, gamey notes on the nose and more concentration, density and structure.

## VITICULTURE

Dominated by the Castle of Gicon, the vineyard is located on the right bank of the Rhône River, 15 km north of Avignon, and 15 km away from Chateauneuf-du-Pape, in the very heart of the Southern Rhône Valley vineyards. The grapes are coming from carefully selected plots of vine located on a soil characterized by clay, sand and pebbles.

## VINIFICATION

80% traditional process (crushed and destemmed harvest) - 20% carbonic maceration process. Fermentation at controlled temperature (around 26°C) for 20 days.

## FOOD MATCHING

This would stand up well to rich meat, mushroom or bean casserole dishes.
