TASTING NOTE

The colour is a bright ruby red. The nose is full of attractive red fruits such as raspberry and cassis and some spicy hints.

VINEYARD

Planted on gravelly soils, the vines benefit from light and perfectly drained ground.

VITICULTURE

France's diverse terroirs—shaped by varied soils, climates, and expertise—produce distinctive wines that reflect a rich, world-renowned winemaking heritage.

VINIFICATION

Mechanically harvested grapes are destemmed, briefly heated and macerated, then pressed. After fermentation and malolactic fermentation, the wine is aged six months in concrete and stainless-steel tanks before bottling.
