VITICULTURE

Marco Felluga Mongris Pinot Grigio is sourced from hand-harvested Guyot-trained vines in Collio DOC. Grown on mineral-rich ponca soils of marl and sandstone, the vineyards benefit from cool Alpine breezes and Adriatic influence. These conditions promote aromatic intensity, freshness, vibrant acidity and a distinctive mineral character.

VINIFICATION

Fermentation takes place in stainless steel. The wine thus obtained is left to refine six months on the lees before being bottled, and then some months in the bottle.
