TASTING NOTE

Golden yellow colour with green hints. It has an intense and fresh aroma with hints of sage, pepper and elderberry. In the mouth the wine shows a pleasant acidity that enhances its freshness and sapidity. It is balanced and well-structured.

VITICULTURE

Grapes are sourced from hillside vineyards in Collio, where marl and sandstone soils promote drainage and minerality. Careful canopy management and hand harvesting help preserve freshness, aromatic purity and varietal character while ensuring optimal ripeness.

VINIFICATION

Fermentation takes place in stainless steel temperature controlled tanks. The wine thus obtained is left to refine six months on the lees before being bottled.

FOOD MATCHING

Apetizer, fish, vegetable soups
