TASTING NOTE

An elegant, subtle bouquet of white fruit aromas and fine citrus notes. Pleasing mouth-filling palate. Vivid, flavoursome fruits unfold balance, freshness with a fine touch of grapefruit providing a pleasant finish.

VINEYARD

The Verdejo variety is the majority grape variety in our estates in Serrada (102 hectares) and La Seca (23 hectares), villages of great tradition and quality in the Rueda Denomination of Origin. Vines cultivated with care and moderate yields, with modern viticultural techniques and great respect for the environment.

VINIFICATION

Made exclusively from our own plots surrounding the winery. The grapes, harvested in an impeccable state of health, are subjected to a cooling process before being gently pressed in an inert atmosphere, without oxygen. Fermentation then takes place.

FOOD MATCHING

Fish, vegetables, pasta, salads and tapas. Great by the glass.
