TASTING NOTE

The wine parades a combination of peach halves, roasted marcona almonds and lemon meringue pie. White nectarine and green melon dominate the palate with an oyster shell saline finish. This wine gathers up a collection of intriguing aromatics and delivers the zippy acidity and elegance of cool climate Orange in one.

VITICULTURE

From a viticulturist perspective, we strive for low-intervention grape growing and wine-making practices. We aim to utilise Mother Nature at every step of the growing season and believe that good canopy management is vital in producing cool climate wines that stand out from the rest.
