Cabernet Sauvignon 2018

RED STILL WINE | SOUTH AFRICA | WESTERN CAPE | SUITABLE FOR VEGANS

TASTING NOTE

Rich yet restrained Cabernet Sauvignon from South Africa, juicy with red berries and perfumed with spicy oak and a wisp of tobacco.

VITICULTURE

The Cabernet Sauvignon is sourced from our Devon Valley property at 280 - 330m above sea level overlooking False Bay.

VINIFICATION

The Caberent Sauvignon is hand-harvested and tank fermented with natural yeasts and is made in a classic, minimal interventionist manner with no extended skin maceration. The individual components are matured in a selection of new (15%), second and third fill French oak barrels for 18 months prior to bottling.

FOOD MATCHING

This unique wine is perfectly paired with rich, meaty flavours of beef and venison, while also being the perfect partner to vegetarian dishes such as mushroom risotto or aubergine parmigiana
