### TASTING NOTE

Vibrant Pinotage, the South African grape variety, here packed with black fruit - blackberry, black plum, blueberry - overlaid with a scattering of spice.

### VITICULTURE

Old bushvines on Hutton soils at 280m yield 5-6 tons/ha of concentrated fruit. Canopy management minimizes direct sunlight, enhancing Printer's Ink Pinotage nuances. Proximity to False Bay brings cooling sea breezes, slowing ripening for improved flavor. Regenerative agriculture ensures vineyard longevity.

### FOOD MATCHING

Pairs well with marinated lamb or cajun-spiced fish. For a vegetarian option, try with aubergine dishes, grilled mushrooms and dark leafy greens.
