Ocho

Ocho Blanco Tequila

TEQUILA & MEZCAL

MEXICO

SUITABLE FOR VEGANS

TASTING NOTE

Intense, 'forward' Agave flavour on the attack which develops into a 'high' sweet fruitiness (reminiscent of an eau de vie de prune). Continues with nuances of pepper, citrus and earth. Balanced and smooth despite the intensity of flavours. Finish is extremely long due to its concentration - goes on and on and the sweetness revisits.
