# Cuesta de las Liebres 2020

RED STILL WINE

SPAIN

RIBERA DEL  
DUERO

## VINEYARD

The Cuesta de las Liebres vineyard sits on a slope with a gradient of more than 30%, full of rich biodiversity. 3.36 ha of tempranillo planted in 1993. The vines border on the upper part with a pine forest where various native species of flora and fauna coexist.

## VITICULTURE

The red wine vines are trained by respectful pruning and protecting the sap flows in a vertical vase system. This system takes advantage of the slope to achieve the greatest homogeneity in the ripening process. A great place where the tempranillo shows its purest expression
