CLOSURE	Screw cap
SKU	K022011l4

TASTING NOTE

Aromatic and fresh Australian Pinot Grigio, delicious and refreshing. Honeysuckle, stone fruit and pear flavours on the palate, with a delightful acid backbone and lingering finish.

VITICULTURE

Duxton Vineyards farms 2,334 hectares of vines—the second largest in Australia—producing about 70,000 tonnes of grapes each year, around 5% of national output. The company applies regenerative farming to reduce agriculture's environmental impact, improving soil health and biodiversity, with the same care reflected in the crafting of this wine.

VINIFICATION

Fruit was harvested early in the morning to avoid the heat. It was cold pressed and once the juice had naturally settled it was racked then fermented cool (12°C) for the next 12 days.

FOOD MATCHING

Grilled barramundi, or other strong fleshed fish. alternatively great with a Thai salad.
