TASTING NOTE

Zweigelt is an underrated grape variety and this example is bursting with black cherries and black plums, with a hint of spice on the finish. Crisp acidity and lightly nippy tannins.

VITICULTURE

Niederösterreich is the region around the capital Vienna and is Austria's largest wine-growing area with loess soils, hot days and cool nights. Zweigelt has pronounced fruit aromas: cherry and sour cherry, a variety of berries plus a discreet spiciness.This grape variety was raised in Austria and remains the most important grape for Austrian red wine.

FOOD MATCHING

A delicious and versatile food accompaniment. Fascinating with steak, but also perfect with tomato-based pasta dishes and pizza as well as a variety of meat dishes. A true all-rounder.
