RED STILL WINE

FRANCE

BEAUJOLAIS

SUITABLE FOR VEGANS

TASTING NOTE

Cherry in colour and cherry in flavour, this is a stylish and generous Beaujolais, full of red stone fruit and blithely untroubled by tannin.

VITICULTURE

Pierre-Marie Chermette took over his family domaine in 1982, reviving Beaujolais traditions with a modern cellar approach. Rejecting the region's high yields, he favors lower yields for riper grapes and natural balance, achieving higher sugar levels and eliminating the need for chaptalization.

VINIFICATION

Chermette uses natural yeasts which confer a character of red fruits to the wine rather than the artificially prepared yeasts which lend the famous, but not such attractive character of bubble gum and banana.
