## TASTING NOTE

Beautiful pale pink color. The nose is very aromatic with a lot of brightness where amylic and sour-candy notes are mixed. A real treat! Easy to drink, crisp, with citrus aromas; the palate is fresh and supple.

## VITICULTURE

Young vines in clay-limestone soil.

## VINIFICATION

A cold skin maceration followed by a direct pressing with controlled temperatures. The fermentation is done in stainless steel tanks.

## FOOD MATCHING

A perfect aperitif as well as an accompaniment to summer dishes, ideal with grilled prawns.
