Pavona Pinot Grigio 2022

WHITE
STILL WINE

AUSTRALIA

VICTORIA

VINEYARD

The grapes for the wine have been selected from our new vineyard at the cold end of the King Valley, situated under the famed Powers Lookout.

VITICULTURE

The cool vintage delivered us near optimal ripening condition with daily temperatures above 15 degrees Celsius before 9am and not rising above 30 degrees until late afternoon. These conditions were perfect for maximum flavour and colour development.
