Verduzzo 2024

WHITE STILL WINE | AUSTRALIA | VICTORIA | SUITABLE FOR VEGETARIANS

VINEYARD

The grapes were hand harvested from our river flats vineyard

VITICULTURE

The season started wet and cold, similar to recent years, and we expected challenges. Then the rain eased, bringing warm, dry weather. Summer was ideal, with mornings around 15°C and afternoons reaching 30°C—perfect for growing premium grapes. This vintage will deliver outstanding wines for both early enjoyment and cellaring.
