# Alastro Bianco 2025

WHITE  
STILL WINE

ITALY

SICILY

SUITABLE  
FOR VEGANS

## TASTING NOTE

Transparent straw colour. Grecanico hides its strength and complex character within this white wine. The blend of Grecanico and Sauvignon gives a nose rich with aromas of citrus, peach, lychees and white wild flowers plus boxwood. In the mouth it is vibrant but creamy and silky with hints of white melon.

## VITICULTURE

Grecanico and Sauvignon Blanc from moderately deep, stony, slightly calcareous soils with pockets of dark organic matter at 200–250m altitude. Spur-cordon trained vines (3,800–4,500/ha). Harvested at peak ripeness: Sauvignon Blanc 16–19 Aug; Grecanico 28–29 Sep.

## VINIFICATION

After destemming and soft pressing, the must is decanted at a low temperature and ferments at 15°C; when fermentation has finished it matures on the lees for up to 6 months in stainless steel vats where a batonneur holds the lees in suspension.
