TASTING NOTE

Generous, intense Sicilian Red, intense and full bodied, packed with black fruit and spice, with a refreshing lashing of cassis on the finish.

VITICULTURE

This harvest has provided perfect grapes both from the health aspect, allowing us natural and spontaneous treatments of sulphur and copper, and also ensuring the expression of their tannic and aromatic characteristic

VINIFICATION

Refrigerated in a cooling unit for 16/24 hours at about 8-11 °C. Step table sorting, first on clusters with 2-2.5% of waste, followed by destemming, and a second table for final berry selection. The grapes selected with this method are then moved directly to the tanks and barrels with the help of a conveyor belt equipped with a crusher.

FOOD MATCHING

A wonderful pairing with Game, Wagyū and other generously flavoured foods.
