WHITE
STILL WINE

ITALY

SICILY

ORGANIC

SUITABLE
FOR VEGANS

TASTING NOTE

Refined and contemporary, with aromas of citrus blossom, green apple, pear and white peach, layered with delicate herbs and flint. The palate is precise and textural, showing bright acidity, subtle oak spice and a long, mineral-driven finish with saline freshness.

VITICULTURE

Vines are cultivated in carefully selected estate vineyards with sustainable practices. Guyot training, low yields and meticulous canopy management ensure balanced ripening, aromatic precision and strong expression of terroir across vintages.

VINIFICATION

Hand-harvested grapes are gently pressed and fermented in oak and stainless steel, with careful temperature control. The wine is aged on fine lees to enhance texture, complexity and depth while preserving purity of fruit and site expression.
