Eruzione 1614 Carricante 2023

WHITE STILL WINE | ITALY | SICILY | ORGANIC | SUITABLE FOR VEGANS

TASTING NOTE

Zesty, characterful white from the volcanic slopes of Etna in Sicily: a blast of white flowers precedes a mouthful of lemon zest and green apples, with distinctive minerality thanks to that soil of ancient lava.

VITICULTURE

The vineyards of Sciara Nuova are in the area of the Etna vulcano. Vines are 850 metres above sea level and trained with the cordon spur vertical trellis system. Density of planting is 5000 plants per hectares.

VINIFICATION

The grapes are soft pressed intact and not destemmed. The must is fermented at 15°C for 20 days. The wine remains on the lees until February with continuous stirring. Later it is bottled.
