TASTING NOTE

Aromas of green cape gooseberry, green and ripe tomato, white peppercorns, sweet basil and celery. Tastes of tomato, bitter greens, rocket and raw globe artichoke and nuts on the finish. A late taste of green peas. Balanced, complex and harmonious.

FOOD MATCHING

Planeta's Olive Oil deserves freshly baked bread in order to show its magnificent array of characteristics fully. The complex palate makes this an ideal dressing for green leaf salads and frugally prepared river fish, octopus and squid.
