Santa Cecilia 2022

RED STILL WINE | ITALY | SICILY | ORGANIC | SUITABLE FOR VEGANS

TASTING NOTE

Rich with ripe blackberries, sour cherries and blackcurrants, layered with orange peel, carob and delicate balsamic notes. Hints of Mediterranean herbs and graphite add intrigue, while finely textured tannins and refreshing acidity keep everything beautifully balanced. Bold, elegant and irresistibly seductive, with a long, savoury finish.

VITICULTURE

Produced from 100% Nero d'Avola grown organically in the Zuppardo and Agliastro vineyards in Noto, south-eastern Sicily. Vines grow at 35-40 metres above sea level in pale limestone marl soils with abundant small stones. Organic and SOStain® practices encourage soil biodiversity, using natural cover crops and sustainable vineyard management.

FOOD MATCHING

A wine which has no fear of the riskiest matchings such as pork marinated with chili pepper or dishes of fish with rich fibrous flesh.
