CLOSURE	Natural Cork
SKU CODE	29966120
COUNTRY	Italy
REGION	Tuscany
CLOSURE	Natural Cork
SKU	29966120

TASTING NOTE

An exceptional Montepulciano from the carefully planted La Caggiole vineyard, this is an intense, deep wine redolent of plum and dark cherry, with a refined palate and extremely elegant tannic profile.

VINEYARD

The 14-hectare Le Caggiole vineyard is located at an altitude of 350 meters above sea level, on the road from Montepulciano to Gracciano. Not far from the Asinone vineyard, it has a completely different microclimate and geological profile. The vines face east, and the soil is decidedly sandy, of marine origin.

VITICULTURE

The careful selection of Sangiovese rootstocks and clones, the planting pattern, and the type of soil and environment give the wine a refined, sweet flavor, with saline hints and very gentle tannins on the palate.

VINIFICATION

16-18 months in 500/600 liter French oak tonneaux.
