TASTING NOTE

Crispy, refreshing, and smooth. This dry, classic Rosé is wonderfully balanced and round with a texture that is mouthwatering and savory. Very light, bright and clear with Dominant orchard fruits like peaches, peach ring candies and sweet fruit salad.

VITICULTURE

Vineyards mechanically harvested at night to ensure cool, fresh fruit enters the winery.

VINIFICATION

Slow and gentle direct press to extract the free run juice. Short maceration for a few hours before press to create the delicate pink hue. Stainless steel tank vinification to create a wine of freshness and delicacy.

FOOD MATCHING

This fruity and delicate wine is perfect as an aperitive or with Nicoise salad.
