TASTING NOTE

Mouth-watering Portuguese white, herbaceous and filled with apples and grapefruit, with the classic refreshing hint of spritz.

VITICULTURE

From vines planted on granitic soils, mostly using single cordon (known in Portugal as cordão simples) with some pruned using the Silvóz training system. Planted at a density of 1,670 vines per hectare. Harvesting is by hand.

VINIFICATION

The grapes pressed at low pressure to retain delicate aromatics of the fruit. Fermentation is in stainless tanks with temperature control (12 to 14°C) over three weeks.

FOOD MATCHING

Grilled sardines, most salads.
