TASTING NOTE

Bright salmon in colour, the wine delivers great aromatic freshness, with attractive notes of wild berry fruit nicely combined with elegant floral hints. Very appealing on the palate, showing good volume and a polished structure made up of soft-textured tannins and vibrant minerality. This is an engaging and balanced wine, with a refreshing finish.

VITICULTURE

The 2024 Douro Valley viticultural year was marked by favourable weather conditions, with moderate temperatures and rainfall levels close to the historical average. The whites and rosés yielded vibrant intensity, aroma complexity, and a natural acidity providing crisp liveliness.
