VINIFICATION

The grapes, coming from the best Touriga Nacional plots of Quinta do Crasto, are brought to the winery in 22kg boxes where they undergo strict selection. After complete destemming and slight crushing, the juice is transferred to temperature-controlled stainless-steel tanks. Once the alcoholic fermentation is completed, the juice is gently pressed.

FOOD MATCHING

A full, solid wine that suits rich food. This is a real winter warmer that fits perfectly with solid red meat and game dishes.
