Journey Collection Verdejo 2023

WHITE
STILL WINE

SPAIN

RIOJA

SUITABLE
FOR VEGANS

TASTING NOTE

Straw yellow colour with emerald hues, bright and clean. On the nose this 100% Verdejo is intense and aromatic with a tropical character and citrus notes such as lime and peach.

VITICULTURE

Growing conditions during the cycle were excellent. The winter was cold with night frosts as expected in a region with a continental climate. During the harvest the nocturnal cold is a key factor in ensuring that the grapes are picked at a low temperature to avoid oxidation.

VINIFICATION

The grapes are cooled and taken to pneumatic presses. The must is fermented and temperature controlled in stainless steel vessels at a very slow rate. The wine is creamy due to the period of ageing with the lees after fermentation.

FOOD MATCHING

Ideal as an aperitif or with starters like smoked salmon. Also it is a great companion for any kind of vegetable dishes such as artichokes and asparagus.
