RED STILL WINE

SOUTH AFRICA

WESTERN CAPE

SUITABLE
FOR VEGANS

TASTING NOTE

An inviting bouquet of dried herbs, plum and cassis leads into a palate with layered tannins and well-balanced structure. The finish is long and refined, leaving an elegant impression.

VITICULTURE

Franschhoek’s 2024 vintage followed a cool, wet winter that built strong water reserves. Warm, dry, windy summer conditions kept disease pressure low, though January irrigation was vital. Lower yields produced concentrated, pure, balanced fruit, ideal for structured, expressive Cabernet Sauvignon.
