TASTING NOTE

Aromas of dried hay, honeybush and wet stone fill the nose. A refreshing palate that balances gentle salinity with ripe pear, peach and green apple. A smooth, lingering finish carries hints of spice and nuttiness.

VITICULTURE

Sourced from old bush vines planted in 1966 at the top of the Piekenierskloof Pass, with cold winters and hot summers. Large bunches carried a balanced mix of green, yellow and lightly sun-kissed berries, each contributing unique flavour nuances. The pristine terroir and healthy vines yield grapes with exceptional concentration, salinity and complexity.

VINIFICATION

Grapes were harvested based on optimal sugar levels and 100% whole-bunch pressed. After natural settling, fermentation took place in seasoned 500L French oak barrels, allowing the varietal's subtle character to express itself with purity.
